

PROGRESS TO PARTNER

Facebook, LinkedIn and Instagram

Social Copy #1

Have you ever been so excited about something you just had to share it? That's exactly how I feel about being an Executive Coach within the new Progress to Partner Membership Site

Progress to Partner is a Exclusive Members-Only Content Site that bundles together over 15 years of training, coaching and resources to help you move your career in practice forward, regardless of what happens as a result of the COVID-19 crisis.

Want to learn more? [Check it out here](#) and make sure you let the Progress to Partner team know that you heard about the membership site from me.

I usually never join or work with membership sites. I've been burned a few times by pricey ones that didn't deliver the results they promised.

But when I heard about Progress to Partner, I was blown away by this opportunity! They truly have amazing content and executive coaches (I'm one of them!)

Virtual Masterclasses, Resources and Self-Study Courses that actually help you commit to moving your career forward even during these unprecedented times.

Social Copy #3

I'm fascinated with Progress to Partner, Heather Townsend and her team's newest membership site!

They have put together over 15 years of training and resources supporting people's career progression in practice bundled into a single location. You can even get coaching sessions with me at a special price if you become a member!

Have you checked it out?
